

STATUS OF BY_YEAR FILES

October 21, 2015

Updates to the superghcnd_diff, superghcnd_full and by year files have resumed.

October 15, 2015

A server failure on October 12, 2015 has prevented the creation of the superghcnd_diff and superghcnd_full files (as well as the yearly files provided in the by_year directory). The creation of these files will resume as soon as possible. The daily updates of GHCN-Daily are not affected by the server failure.

August 08, 2011

ghcnd_diff pushed into production. yearly files are stable
